About Kathy's Choice

Founded in 1994 by Kathy Lang, Kathy's Choice has become one of Dallas' premier caterers earning a reputation for exceptional food, creativity, presentation, and uncompromising customer service.

Full-service Catering and Event Planning

Kathy's Choice provides full-service catering and event planning for corporate events, weddings, in-home social gatherings, and in-office breakfasts and luncheons. Our new location is home to our certified commercial kitchen and offices, which are conveniently located to our customers in Dallas, Richardson, and surrounding areas.

Tea Room and Courtyard Patio

When Kathy's Choice expanded in the autumn of 2011 we enlarged our catering operations and added a tea room with a quaint courtyard patio.

Kathy serves lunch from 10:30 until 2:00 Tuesday through Saturday and offers the tea room and patio courtyard for teas, receptions, off-site business meetings, showers, rehearsal dinners, and private parties in afternoons, evenings and Sundays.

Private Room

Kathy's expanded again in the autumn of 2013 by creating an adjoining private event room with a seating capacity of 52. The room is appointed like an elegant living room, including two fireplaces, and is fully wire to accommodate audio/visual presentations.

When combined with the tea room, private room and courtyard patio, Kathy's Choice is the perfect venue for your small to medium size event.

Our Mission

Kathy believes that catering is about much more than superb food. Her mission is to be client focused and a total event management service committed to consistently exceeding her customers' expectations.
